France Alumni USA :

We invite all Chateaubriand alumni to join **France Alumni USA**, an international platform and network of professionals who have completed part or all of their studies in France:

<https://www.francealumni.fr/en/position/usa>. France Alumni USA will give you access to job and internship offers in both the US and France, special events organized throughout the US, a directory of alumni who studied in France and discussion groups.

French Culture in the US:

The **Cultural Services** of the French Embassy brings artists, authors, educational and university programs to cities across the United States. To keep in touch with French culture and find out more about the Cultural Services' events and programs, visit <http://frenchculture.org>.

French Science in the US:

The **Office for Science & Technology** promotes bilateral partnerships between France and the United States in science and technology and promotes student and researcher mobility. To find out more about the Office for Science & Technology's programs and events around the US and to view open calls for proposals, visit <https://www.france-science.org>.

LinkedIn:

STEM Fellows Chateaubriand can join the **Association Chateaubriand Scientifique USA** on LinkedIn here: <https://www.linkedin.com/groups/1285807>
