

2012

Friday August 26, 2016, by [Administrateur Chateaubriand](#)

List of STEM fellows for 2012-2013

| Last Name | First Name | US University | French Host Institution | Field of Study |
|------------------|-------------------|---|---|---|
| Balderston | Nicholas | University of Wisconsin-Milwaukee | Ecole Normale Supérieure | Biology, Health |
| Bodnari | Andreea | Massachusetts Institute of Technology | Laboratoire d'Informatique pour la Mécanique et les Sciences de l'Ingénieur | Computer Science - Information Technology |
| Cabrera | Nicole | Georgia State University | Université Joseph Fourier | Physics |
| Dee | Laura | University of California, Santa Barbara | Ecole des Ponts - ParisTech | Environmental research |
| Deymier | Martin | Emory University | Institut Cochin | Biology, Health |
| Ferri | Elena | University of Southern California | Institut de Biologie Structurale | Biology, Health |
| Friedlander | Lonia | Stony Brook University | Université de Poitiers | Geosciences, Space |
| Gahlawat | Aditya | Illinois Institute of Technology | Université Joseph Fourier | Computer Science - Information Technology |
| Gil | Michael | University of Florida | Ecole Pratique des Hautes Etudes | Biology, Health |
| Harrington | Matthew | University of Maryland | Université de Rennes 1 | Physics |
| Hejab | Nisreen | University of California, Berkeley | Université de Strasbourg | Biology, Health |
| Horne | Kyle | Utah State University | Ecole Centrale Paris | Physics |
| Kandilian | Razmig | University of California, Los Angeles | Université de Nantes | Physics |
| Knox | David | University of Colorado | Ecole Normale Supérieure de Lyon | Biology, Health |
| Lee | Ann | University of California, Davis | Université Pierre et Marie Curie | Biology, Health |
| Li | Xiguang | Texas Tech University | Arts et Métiers ParisTech | Physics |
| Lorscher | Christopher | University of Central Florida | Université Joseph-Fourier | Physics |
| Mak-McCully | Rachel | University of California, San Diego | Université Aix-Marseille | Biology, Health |

| Last Name | First Name | US University | French Host Institution | Field of Study |
|------------------|-------------------|------------------------------------|---|------------------------|
| Meadley | Stacey | Cornell University | Université Claude Bernard (Lyon 1) | Biology, Health |
| Miege | Clement | University of Utah | Centre National de Recherches météorologiques | Geosciences, Space |
| Naul | Brett | Stanford University | Université de Nice Sophia Antipolis | Mathematics |
| Reilly | Maureen | University of California, Irvine | Université de Toulouse | Chemistry |
| Salim (Doll) | Hannah | University of California, Berkeley | Ecole Polytechnique | Environmental research |
| Scott | Nicholas | Georgia State University | Observatoire de Paris | Physics |
| Simunovic | Mijo | University of Chicago | Institut Curie | Chemistry |
| Snook | Braden | University of Florida | Université Aix-Marseille | Physics |
| Stout | Andrew | CUNY Graduate Center | Université Pierre and Marie Curie | Mathematics |
| Stuckey | Matthew | University of California, Davis | École nationale vétérinaire d'Alfort | Biology, Health |
| Thiaville | Patrick | University of Florida | Université Paris-Sud | Biology, Health |
| Wexler | Jason | Princeton University | ESPCI ParisTech | Physics |
| Wittmeyer | Kameron | Penn State | Université Paris-Sud | Agronomy |
| Zheng | Wenjing | University of California, Berkeley | Université Paris Descartes | Mathematics |
